

## Morrison & Foerster Careers Website Help

If you are having trouble accessing the Careers section of the website, here are some things to check:

### 1. Required Software #1 - Adobe Flash Player

- The site requires the Flash Player 8 browser plug-in. You can download and install it from the Adobe website by clicking on this link:

[http://www.adobe.com/shockwave/download/download.cgi?P1\\_Prod\\_Version=ShockwaveFlash](http://www.adobe.com/shockwave/download/download.cgi?P1_Prod_Version=ShockwaveFlash)

- If you are having problems installing or using the Flash Player plug-in, refer to the Adobe Flash Player Support Center by clicking on this link:

<http://www.adobe.com/support/flashplayer/>

### 2. Required Software #2 - Apple QuickTime

- The site requires the QuickTime 7 browser plug-in. You can download and install it from the Apple website by clicking on this link:

<http://www.apple.com/quicktime/download/>

- If you are having problems installing or using the QuickTime plug-in, refer to the Apple QuickTime Support page by clicking on this link:

<http://www.apple.com/support/quicktime/>
